## Monday Morning Memory Retrieval Activity

**Directions:** Fill in the following blanks with the key terms/concepts we discussed in class the previous week. Please remember that every blank must be a different word, phrase, or concept; you cannot list anything twice.

Last week in class, the major topic of discussion was on \_\_\_\_\_.

My teacher \_\_\_\_\_ spent an exceptional amount of time explaining

\_\_\_\_\_ because of its/their importance. The one

term or idea that greatly captured my attention was \_\_\_\_\_

because \_\_\_\_\_. We

learned the difference between \_\_\_\_\_ and \_\_\_\_\_

and the difference is that \_\_\_\_\_

\_\_\_\_\_. I

was especially surprised to learn that \_\_\_\_\_

\_\_\_\_\_. Despite my high level of understanding

of the material, I was still confused about or had further questions regarding

\_\_\_\_\_. One question I still want to know is, \_\_\_\_\_

\_\_\_\_\_? This week, my

teacher will be covering \_\_\_\_\_.
